Nature of Contract:

In 1976, the State of California designated the County of San Bernardino as an Area Agency on Aging. As a result of this designation, the Department of Aging and Adult Services (DAAS) receives funding from the California Department of Aging to administer the programs authorized by the Older American Act (OAA). On November 13, 2000, President Bill Clinton signed the congress-approved reauthorization of the OAA. This reauthorization included the creation of a new OAA program, originally introduced in 1999 as part of President Clinton's long-term care package, the National Family Caregiver Support Program (FCSP).

Approval of Amendment No. 1 to County Contract No. 02-798 will allow DAAS to receive an additional \$592,050. These funds consist of federal One-Time-Only (OTO) funds carried over from FY 01/02 closeout statements. The majority of these funds will be used to increase FCSP services provided by Contractors, with the remaining funds being used as follows: to increase direct services provided by DAAS, including limited emergency assistance to clients; to increase the level of FCSP advertising to increase public awareness of the program; for one-time-only equipment purchases; and for staff developmental training.
